

Biography

Ralf Tiemann, CEO Asia Pacific of the Sanner Group

Since April 2008, Ralf Tiemann holds the position of CEO Asia Pacific of the Sanner Group and is responsible for the entire South-East Asian business.

After completing his degree in mechanical and plastic engineering at the University of Paderborn, Ralf Tiemann has gained longstanding experience in the plastics industry. He was responsible for the sales activities of several German companies in Germany and Asia in different managing positions.

Ralf Tiemann, born in 1967, started his career as sales manager at Colortronic GmbH in Friedrichsdorf, Germany, in 1994. From mid 1996 until the beginning of 1998, he worked as sales manager for Laser GmbH in Beverungen, Germany. His next position consisted in managing the sales of ancillary equipment and machines for the plastics industry at Digicolor GmbH in Bielefeld until 2003. When moving on to Wittmann-Robot-Systems, Ralf Tiemann first headed the sales of different peripheral equipment for plastics processing. In 2006, he then took on responsibility for sales in China, before assuming his new position with Sanner in 2008.

Since April 2008, Ralf Tiemann is Vice President of the Chinese subsidiary Pharmaceutical & Medical Packaging Materials in Kunshan. Here, he is responsible for the entire South-East Asian business, including sales, production, development, finance, quality, human resources and procurement and is a member of the Sanner Group's management.
